Please rate your enjoyment of the game.	How complete did the game feel?	How did you feel about the actual game aspect and how well it played?	Did you find any game-breaking issues with the game? If so, what were they?	In your opinion, what could be done to improve the game?
2	3	3	I could not move diagonally when shooting	
3	4	4	no	
2	2	3	No.	Make the levels more interesting because they get boring after some time. Add more variation to enemies.
3	2	3	i was colliding with enemies even though they didn't touch me. i also had trouble moving while shooting.	you need to make collisions more precise because it ruins the way the game feels
3	4	4	-	Music or sound effects
